

Church Builders Workshop

This workshop is an effort to fulfill the district vision of “reaching to all ethnic groups to share this life-changing Apostolic Message.” This workshop is design to accomplish this through 4 district initiatives: generating a culture of prayer, investing in our ministers, and strengthening our churches to cultivate an environment of growth.

Church Builders Network: To continue to fulfill the district vision beyond the workshop, we are uniting local churches to assist NAM churches and young and developing churches who have successfully graduated the NAM status

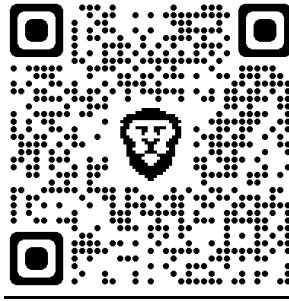

- Practical goals
 - Assist NAMs beyond financial assistance
 - Strengthen local churches that could use an outside help
 - Avoid churches to close
 - Develop a network of professionals to assist us for Church-In-A-Day
- Plan: Creating a network of servant leaders (both lay and licensed) to gather resources for target churches. Anyone (including non-licensed ministers/lay leaders) can apply. We’ll contact your pastor with a project. Together we’ll build churches.
- Needs: Construction, Technology, Professional service, and more

Thank YOUs

We are grateful for the hospitality and the kindness of the Sanctuary of Houston and Pastor Bourn. We also extend our appreciation to all of the ministers and the District Board. We are also thankful for partner ministries for this year's workshop including Children's ministry, Prayer Ministry, Music Ministry and Multicultural Ministries. We also thank you for every church who gives to our Christmas for Christ as expenses are covered by your giving.
